Caring for each other as we live, learn and grow in God's love...

Friday 15th July 2022

Heads up! We're going paperless from September. In a bid to help the environment and lower printing costs, we will be going digital for our weekly newsletter and other correspondence. Don't panic - the newsletter will be uploaded weekly to the school website and Twitter feed.

Diary dates:

- Sacred Heart and St John Bosco Mass: 9:30am every Sunday
- Summer holidays commence on Thursday 21st July
- Leaver's Mass - Thursday 21st July

Payments

For school finances to be in order please can you pay all your balances by the July 17th. This includes lunches, school leavers hoodies, trips thank you for your support.

It's going to be a scorcher!

Summer seems to have arrived and next week is set to be hot! Please provide your child with water bottle with water not juice, sun cream and possibly a hat to protect them for sunburn.

Reports

Hopefully by now you have received your child's report and are as proud of them as we are! If your child has not brought home a report, please contact the school office and we will send home another copy. Thanks.

Footsteps into Paradise

Some of children took part in a musical extravaganza at Durham Cathedral this week. They joined over 200 other pupils from the academy trust to celebrate their talents and skills.

It told the story of our amazing north-eastern community, through story, songs, hearts and souls of our amazing children.

Reuse, recycle

We successfully recycled lots of pre owned uniform at parents evening and next week we will have lots of donated uniform to recycle at the main entrance for September if anyone is interested.

Summer Camps

The Holiday Activity and Food (HAF) programme - named Wear Here 4 in Sunderland - is a Department for Education funded programme delivered locally and providing fun, enriching activities and tasty, nutritious meals during the Easter, Summer and Christmas school holidays.

Wear Here 4 provides school aged children with an opportunity to get involved in a range of activities centered around sports, culture, arts and learning, as well providing healthy meals and activities based on developing cooking skills and knowledge about nutrition, that families can use at home. Young people also get the chance to socialise with friends and make new ones, with children across the city coming together to get involved.

Activities are delivered for a minimum of four hours per day, over four days during the Easter and Christmas break, and for four hours per day, over four weeks during Summer, and every child will receive a meal during each session they attend.

This week's TT Rockstar!

Did you know?

15th July is St Swithin's Day. It takes place each year, and according to traditional folklore, whatever the weather is like on St Swithin's Day - whether rain or sunshine - it will continue for the next 40 days and 40 nights.
