

Update for Parents:

Staff have worked tirelessly to set up a safe, comfortable, consistent learning environment and are ready to receive children. As it stands, the final Health & Safety checks, to be carried out by a third party, have not been completed for children to come to Gabriel House on Tuesday. We are raring to get back to face-to-face learning and are confident that it will be this week, but cannot guarantee a definite start day at this point, as soon we get the go ahead we will be in touch.

Thank you for your continued support and wonderful comments on social media - it's giving us a real boost.

Please keep the faith!

Kind regards

Mrs Lianne Peart
Headteacher
