4. BARRIERS TO FUTURE ATTAINMENT (for pupils eligible for Pupil Premium)

In-School Barriers (Issues to be addressed in school, e.g. poor language skills)

- | | |
|----------|--|
| A | Early language and mathematical development. Oral language skills and mathematical skills in Nursery and Reception are lower for Pupil Premium pupils than other pupils. This slows down reading, writing and mathematical reasoning progress in subsequent years and impacts across the curriculum. |
| B | Accelerated progress of some high ability and middle ability pupils who are eligible for Pupil Premium. |
| C | Social and emotional development. (Aspirations, self-belief and confidence) |

External Barriers (Issues which also require action outside of school, e.g. low attendance)

- | | |
|----------|--|
| D | Parental engagement |
| E | Absence (Primarily linked to term time holidays) |
| F | Limited access to a wide range of learning opportunities beyond school experiences |
| G | Social Care involvement |
| H | Family Mental Health issues |
