**6.1 QUALITY OF TEACHING FOR ALL**

Desired Outcome	Action	Rationale	Quality Assurance	Staff Lead	Review
<b>Improved oral/ language skills for Pupil Premium pupils in Nursery and Reception.</b>	Staff training from SALT to target Pupil Premium pupils identified through the language screening programme. Implementation of SALT advice and strategies.	Early Years Group on entry have below expectations in oral/ language skills and generally poorly developed communication skills. This impacts on reading, writing and other aspects of the curriculum in subsequent years. Speech and language skills are crucial, especially for children as they learn to interact socially as well as academically. Speech and language difficulties can have a detrimental effect on a child's development and impact on their behaviour and progress.	Improved language acquisition. Discharge from SALT.	SLT Foundation Stage Lead SENDCo	Termly
	<ul style="list-style-type: none"> <li>▪ Embed the use of the newly developed outside areas to promote language and learning in the outdoor areas of the Foundation Stage.</li> <li>▪ Audit resources linked to language development.</li> <li>▪ Purchase resources to address any identified shortfalls.</li> </ul>	Role play is one of the most effective ways of acquiring language skills.	Monitoring and tracking of targeted pupils. Assessment and observational data.	SLT Foundation Stage Lead	Termly

**6.1 QUALITY OF TEACHING FOR ALL**

Desired Outcome	Action	Rationale	Quality Assurance	Staff Lead	Review
	<ul style="list-style-type: none"> <li>▪ Raised profile of reading.</li> <li>▪ Audit reading resources to ensure texts available to provide pupils with repetition, a rich vocabulary and phonetically decodable texts.</li> <li>▪ Increase parental understanding and involvement by having regular parent workshops in:               <ul style="list-style-type: none"> <li>❖ Phonics;</li> <li>❖ Reading;</li> <li>❖ Number</li> </ul> </li> </ul>	Literature and sharing books has proven impact on early language development.	Monitoring and tracking of targeted pupils. Pupil engagement with texts and feedback. Assessment and observational data.	SLT Foundation Stage Lead	Termly
	<ul style="list-style-type: none"> <li>▪ Additional adult reading support available for pupils who do not read regularly at home.</li> <li>▪ Extend the range of resources sent home to parents to support home learning.</li> </ul>	Research studies have proven the benefits of trained teaching assistants in effectively supporting the development of pupils oral language skills and reading outcomes. Evidence shows that as the amount a child reads increases, their reading attainment improves which in turn encourages them to read more.		SLT Foundation Stage Lead	Termly
<b>All Pupil Premium pupils will meet the expected standard in Phonics at the end of Year 1.</b>	<ul style="list-style-type: none"> <li>▪ Staff Training</li> <li>▪ A systematic approach to the teaching of phonics.</li> <li>▪ Boys small phonics groups.</li> <li>▪ Provision of additional phonics booster sessions with additional resourcing from HLTA's.</li> <li>▪ Provision of additional TA 1:1 reading.</li> </ul>	Proven research shows that Phonics is an important component in supporting the development of early reading skills, particularly for children from disadvantaged backgrounds. Children who have limited or no opportunity to read at home benefit from receiving regular extra reading support with an adult in school. This helps to build up confidence and promotes the enjoyment of reading.	Monitoring and tracking of targeted pupils. Class teacher to monitor 1:1 reading support and regularly receive feedback from those leading the support.	SLT Key Stage 1 Phonics Lead	Termly

## ST. JOHN BOSCO RC PRIMARY SCHOOL Pupil Premium Strategy 2018-2019

### ADDITIONAL DETAIL

The progress of all our children, including our Pupil Premium children is monitored by the Headteacher, Acting Deputy Headteacher, Subject Leads, SENDCo and class teachers. Formal monitoring happens once a term and in some areas half termly and necessary actions are agreed to prevent any child falling behind and to ensure high achievers remain challenged. Intervention programmes and whole school strategies are evaluated closely by all stakeholders and the impact measured. This information is used to decide future actions.

As a school we desire to see the gaps diminished between our Pupil Premium pupils and our Non Pupil Premium pupils. Our actions are not taken lightly, but are formulated from many meetings, discussions, analysis of data and on-going teacher day-to-day feedback.

The total we will spend on initiatives and programmes outlined in our strategy statement 2018-19 is **£74,400**. This is in excess of our Pupil Premium funding. Our key investment is in teaching, which we see as the most effective tool we have for raising the achievement of our Pupil Premium pupils. A significant part of our work is around the development of an inclusive culture for learning that promotes language, aspirations and independence. We also invest in a range of intervention programmes for targeted pupils and their families to help them overcome barriers to learning that economic disadvantage can bring.

The Governors will review this strategy statement on an annual basis.

**The next review date is November 2019.**
