Dear Parents and Carers

This week we end another term in difficult, uncertain circumstances. As a nation we reached the one year anniversary of our lockdown response to the Covid-19 virus. We remembered as a school all of the strange, scary and confusing things that have happened to us all in the last year.

I would like to thank the entire St John Bosco community for their hard work, dedication and great resilience shown throughout.

We look forward to an exciting Sum-

mer Term and the joy that this will bring us all.

Holiday Activity Boxes

A big thank you to Together for Children for supplying some of our families with activity box-

Breakfast Club

Many thanks to those parents who are using our '8.30am Open Door' initiative. Because of this we had a reduced number of requests for places at our 'modified' Breakfast Club. Places have now been offered to those parents who needed it and we

Thank you to everyone for your amazing entries! We were blown away by your creativeness! You gave our school council a very difficult job in deciding winners.

Well done everybody!

Pope Francis Prayer for Protection from Coronavirus

O Mary, you shine continuously on our journey as a sign of salvation and hope.

We entrust ourselves to you, Health of the Sick.

At the foot of the Cross you participated in Jesus' pain, with steadfast faith.

You, Salvation of the Roman People, know what we need.

We are certain that you will provide, so that, as you did at Cana of Galilee,

joy and feasting might return after this moment of trial.

Help us, Mother of Divine Love,

to conform ourselves to the Father's will and to do what Jesus tells us:

He who took our sufferings upon Himself, and bore our sorrows to bring us,

through the Cross, to the joy of the Resurrection.

Amen.

We seek refuge under your protection, O Holy Mother of God.

Do not despise our pleas – we who are put to the test

– and deliver us from every danger, O glorious and blessed Virgin.

You might have noticed some new signs have been put up near the collection and drop off points at the school, similar to those in these two images. These signs are talking about litter and dog fouling which sadly are still a big problem in our city.

North Area Committee has invested in extra Environmental Enforcement and who will be conducting regular patrols of the area to ensure sure people take their litter home with them and pick up after their dogs.

Enforcement Officers are working hard to tackle these issues to make sure the school community and surrounding area is safe, clean and tidy for school children and their families.

Did you know?

- Anyone caught littering you will be issued with a £150 Fixed Penalty Notice
- If you do not clean up after your dog you will be given a £75 Fixed Penalty Notice.

Please help the Enforcement Team keep our community clean. These actions are not only illegal but damaging to our environment.

Thank you for your continued support and by working together we can all look forward to a cleaner Sunderland.
