

# Collective Worship at St John Bosco School

Each act of worship at St John Bosco celebrates *God's presence* in our lives. It is concerned with giving glory, honour, praise and thanks to *God*. Our collective worship uses a wide range of resources and styles our staff support the development of differing styles of worship throughout the school.

Our worship takes many different forms and we gather in a variety of groupings, fostering a range of prayer styles appropriate to the age of the children and the occasion.

We gather together as a school community once a week led by the Senior Leadership Team.

On a Tuesday and Thursday morning each Key Stage gathers for collective worship led by the teaching staff and the children, the focus is based on the *Gospel readings* from the previous

Sunday's gospel. Staff and children will use the 'Wednesday Word' materials to support these collective worship sessions.

Once a week we come together as a school community to celebrate our achievements and successes.

In addition to these opportunities to worship, Mass is celebrated once a term in the school hall for children, staff, parents and parishioners.

All children also have the opportunity to plan and prepare their own class liturgy, worship at the end of each Come and See topic.
