

# First Holy Communion

Guided by our Parish Priests Father Louis Aroon Fr. Ligori Alexander, we work with our Year 4 children each year to prepare them to celebrate and receive the Sacraments of Reconciliation and Eucharist.

This work begins in September when interested parents are invited to join the programme and will meet with School staff and Father Louis to discuss the commitment involved in this journey.

The programme works between the school and the Parish. Classes are held in school and delivered by school staff who follow the Sacramental Programme designed by our Diocese.

The children celebrate the Sacrament of Reconciliation early in the Spring Term with the Sacrament of the Eucharist taking place in the Summer Term.
